RCMI: September Song

Rotary Club Moscow International has celebrated summer and will now “step-up” activity for the race to the New Year. We have: begun to install our list of new members, are busy with seminars, concerts, an orphanage trip, parties and committee actions. *On the 10th of October*, we will hold our annual Financial Seminar, where Dr. Andreas Frueh, Head of Investment Management, Deutsche Bank Zurich and his team will present their program which provides an outlook into the World Financial Situation’s recent past, present and near-term future. *On the 12th of October*, Past RCMI President Tiberius Braun, the Chairman of our 11th annual International Russian Rotary Children’s Music Competition, will represent Rotary Club Moscow International as one of our Competition’s Past Winners and Laureates “Sergey Belyavskiy” will be “in concert” at the Russian Embassy in Berlin, Germany (See the feature story on page 2). *On the 19th of October*, during our regular evening meeting, we will install several new members and one of our regular members, Juergen Mandl, will present us with information about his new scientific Patents for the construction industry; with technology which improves durability and reduces cost. *On the 23rd of October*, Erik Stenfeldt (Chairman of our Sergev Posad Orphanage Project) and his wife Irene will lead us on a bus trip to the Orphanage and School for the Blind and Deaf; where we will deliver 14 new high technology Hearing Aids for the children. All are welcome: just tell us in advance. *On the 31st of October*, we will have another F-U-N-nite as we celebrate the Spirit of Halloween with a “Halloweenfest...” for those of you that may have “missed” Oktoberfest. Come: join the party.

Enjoy Rotary, your Rotary friends and providing “Service Above Self.” Sincerely, *Thomas*
